

Bronze Stars, Pete is a decorated veteran and a man worth our respect and admiration.

Following his career in the military, Pete would enter law enforcement. First a Corrections Officer with the Passaic County Sheriff's Department, then a police officer with several municipalities, Pete would eventually decide that his greatest aspiration was to serve as a New Jersey State Trooper. Graduating from the New Jersey State Police Academy in 1993, Pete would formally begin his storied career as a State Trooper.

Starting as a "Road Trooper", Pete would quickly ascend the ranks to reach Detective. Assigned to work on the Counter Terrorism Unit, FBI Joint Terrorism Task Force and Drug Enforcement Administration, Pete carried out intricate and high level international and domestic investigations. Working both as an undercover agent and lead investigator, Pete worked in Central and South America in addition to operations here in the United States.

As the President of the New Jersey State Troopers Non-Commissioned Officers Association, Pete advocated for his brothers and sisters in uniform. Embodying the principal of service over self, Pete traveled both to our State Capital of Trenton and Washington, D.C. to fight for improved benefits and funding. I know, he will be missed by so many as he retires from law enforcement. As he transitions into this new phase of life, I thank him for all his hard work.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to working with and recognizing the efforts of individuals like Mr. Pete J. Stilianessis.

Madam Speaker, I ask that you join our colleagues, friends, family, and the residents of New Jersey in recognizing Pete J. Stilianessis, as we celebrate his years of distinguished service to the people of the Ninth Congressional District.

RECOGNIZING THE LIFE AND  
LEGACY OF DR. FATIMA ZAFAR

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 15, 2022*

Ms. WILSON of Florida. Madam Speaker, I rise today to recognize the life and legacy of Dr. Fatima Zafar, a beloved, wife, mother, physician, and medical leader in Miami-Dade County.

Whereas, Fatima Zafar, MD was born on October 20, 1941, in Hyderabad, India, the first of six children. She was inspired by her father as she watched him, a middle-class contractor working for the government, tirelessly helping those in need, including buying food with his own money to feed the poor, and always encouraging his children to help others. Fatima's upbringing also included accompanying missionaries to the countryside to administer smallpox vaccines. She witnessed women seeking medical help from nuns at a time when they were prohibited from seeing male doctors. These experiences intrigued Fatima. Her fascination with the process of healing contributed to the seeds of compassion and doing for others sown into her life; and

Whereas, Fatima was very athletic and very active in high school sports. With her father's encouragement, she turned that focus to science and medical classes, and was subsequently accepted at the Osmania University Medical School. Upon graduation she completed her residency in Obstetrics/Gynecology, at the Muslim Maternity and General Hospital where she was in charge for three years; and Whereas, Fatima and Ferrukh met and were later married, had two daughters, and journeyed to Miami, Florida where Fatima completed a residency in Psychiatry at Jackson Memorial Hospital and became a Diplomat of the American Board of Family Practice; and

Whereas, in 1980 Fatima was hired as Chief Medical Officer for the Economic Opportunity Family Health Center, Inc. (EOFHC), at a time when EOFHC was located in one of the poorest neighborhoods in Miami-Dade County and was just a collection of trailers. The medical leadership which she provided over 28 years has been unparalleled including distinctions such as, but not limited to, leading her medical team in providing care for one of the first HIV/AIDS cases in Miami-Dade; building the first brick and mortar site for the Center; expanding the accessibility and convenience of high quality care provided by EOFHC by opening six primary care sites; establishing the Jefferson Reaves House as one of the first substance abuse treatment programs for women and their children; establishing programs for effective management of chronic illnesses; establishing a fund through the Jessie Trice Community Health Foundation to supplement the costs of pharmaceuticals for patients unable to pay. For the following twelve years she focused on family medical services and specialty services in the health system; and

Whereas, Fatima relocated in 2020 to New Jersey to be near family after the passing of her husband. Even after relocating to New Jersey, up until one week before her own passing on July 4, 2021, she continued her commitment to touch and to heal, and to provide the highest quality of care to the most

vulnerable patients served by EOFHC, by providing telehealth services for ongoing management of chronic illnesses and also providing psychiatric consultation; and

Whereas, Fatima leaves behind her two daughters, peers, mentors, staff and thousands of patients who were all inspired by her life and legacy of healing, giving, and love for all mankind, including the least of these; and

Now, therefore, be it resolved that I, FREDERICA S. WILSON, a member of the United States House of Representatives representing the 24th Congressional District of Florida, am honored to recognize the naming of the main site of the Jessie Trice Community Health System, Inc. for the late Dr. Fatima Zafar, and to recognize her for her commitment, dedication, and the outstanding medical leadership that she has provided to our community.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 15, 2022*

Mr. GRIFFITH. Madam Speaker, I rise in honor of I. Ray Byrd, who passed away on January 30, 2022. Mr. Byrd was a businessman and community leader in Salem, Virginia.

Mr. Byrd was born on September 1, 1928, in Martinsville, Virginia to Daniel Edward and Virgie Holt Byrd. He attended Randolph Macon College and finished his education at the Medical College of Virginia with a Bachelor of Science in Pharmacy. He later went on to spend two years as a United States Marine and attained the rank of Captain.

He and his wife, Nina, moved to Salem, Virginia in 1954. This is where he and his dear friend, Ervin Pollard Brooks, founded Brooks-Byrd Pharmacy. Brooks-Byrd Pharmacy became an iconic Salem location and is still open today. Further, the pharmacy's patrons benefited from the kindness of Mr. Byrd. In a throwback to an earlier age, it allowed their regular customers to carry accounts forward. This was very helpful to many struggling families throughout the years—including single-parent households such as mine when I was a kid. The community will be forever indebted to Mr. Byrd and Mr. Brooks for their dedicated, selfless service.

Throughout his pharmaceutical career, Mr. Byrd also served as a pharmacist at the Bradley Free Clinic, Richfield Pharmacy, and the VA Hospital. He was also a member of the Roanoke Valley Pharmaceutical and the Virginia Pharmaceutical Associations.

Beyond his professional endeavors, Mr. Byrd devotedly volunteered and worked to improve his community. He served in the Salem Kiwanis Club, Salem Chamber of Commerce, Salem Museum, Salem Sports Foundation, and the Salem Industrial Authority. For five years he served as the chairman of the City of Salem School Board. Mr. Byrd especially valued faith and family. He was an active member and trustee of the Salem Baptist Church.

Mr. Byrd's survivors include his wife, Nina Byrd; his children, Dr. Carol Byrd and her husband, I. Ray Byrd, Jr. and his wife, Mary Catherine Rusk, and Laura Byrd Earle and her husband; his grandchildren, Bradley Barr, Dr. Ann Cameron Barr and her husband, Dr. Andrew Barr and his wife, Nicholas Byrd and his
